We've got news!

On Friday, Liverpool Attendance Quality Mark visited Northway. You may have seen the team on the playground at 8.50am or in the main office just afterwards. During a very busy morning, our policies and procedures were scrutinised to see how effective we are at monitoring and encouraging great attendance, linked to safeguarding and

learning. Parents were invited to speak and children were interviewed to see if what we had spoken about was actually true and could be verified across school. We are so pleased to inform you that **Northway has been awarded: Gold Quality Attendance Mark.**

I want to thank all the staff, parents and children for their input that resulted in gold, Team Northway (parents, pupils and staff) has worked so hard to raise the profile of attendance, showing that every second in school really does count. In particular I want to thank **Miss Sultan** and **Mrs Reilly** who have led on our Attendance Quality Mark preparation. They both spoke eloquently and with passion to the assessors and had every piece of evidence asked of them. **Team Northway at its best.**

Dog on the School site (For everyone):

Just a gentle reminder that **dogs are unfortunately not allowed on our school site**. This is a directive given by Liverpool (Health and Safety) to all schools and includes the whole of our site. Some children are unsure when around unfamiliar dogs and others are very frightened. **Even though you know your dog, they do not.** Dogs are also familiar with their owners and may play beautifully with their own family children, but can change behaviour when around other children.

Dogs are unable to use our school toilets! If a dog happens to go to the toilet on the playground, we are required to disinfectant for the safety of all our children. A dog did actually urinate on a pupil earlier in the year, which makes this rule all the more important.

It is therefore safer and fairer for all our children that dogs (carried or on a lead) **do not** come onto our School site.

Thank you for assisting us with this important rule.

Schools often have a School Dog – in this case, schools have carried out detailed risk assessments and have parental permission for any interaction with it.

Northway Code:

Treat each other with **respect**. **Respect**

Try to **talk** through our problems. **Service / Peace / Courage**

Look after each other and show we care. **Compassion**

Look after our school and things in it. **Respect**

Follow instructions to ensure our school is a happy and safe place to be. **Wisdom**

Always **try** to do our best. **Perseverance**
