

This morning I watched a fantastic **Rich Immersive lesson** where 5Turing met **Beowulf** the Great and asked him questions before returning to class to begin writing. Their vocabulary was excellent as well as their inquisitive minds. I **thoroughly enjoyed** my time and felt honoured to be invited. Thank you!

### Notes from the Headteacher's Study

Immersive learning

Immersing children in rich learning opportunities is high on the agenda at Northway. Miss Mac is planning alongside our Team, opportunities to develop **Rich Immersive Learning Opportunities**, where rich vocabulary and sensory experiences can inspire written work. This week we have worked hard to develop learning zones throughout school,

the main one being re-establishing our **School Library**. Our Reading Tree House (Cottage) arrived and straight away the children were impressed. Since then, we have grown our very own Northway grassy meadow that will soon be our Reading Woodland. I have loved being asked all day by the children, when they can start to use the area, and the great news is... **it is now open!** We want children to use this new area to Read for Pleasure as well as for Guided Reading and Mindfulness activities. Lots more will be added to this area but it is now safe and ready for use!

How are you enjoying Mathletics, Bug Club and Reading Plus? Is Time Table Rock Stars a hit in your house? These are fantastic apps that will not only teach your children key basic skills but will allow them to enjoy healthy completion *against themselves*. Hope you have lots of fun encouraging your child in their basic skills progression through these great new apps.

I hope you have a great weekend.

## Lateral Flow Testing update:

The Army have been assisting with mass testing in Liverpool for the last couple of weeks. From reports given by members of staff and parents, this has been a very positive thing. The record was: waiting, testing and home within 6 minutes and the negative result (which is a positive thing!) within 20 minutes. Can't say better than that!

## It's (nearly) Christmassssssss:

On **Friday 18<sup>th</sup> December** we break up for Christmas at **1pm**. Children will have an early lunch as well as a lovely Christmas morning. Please remember the earlier finish. This will allow us to get school ready for the big clean post-Autumn Term.

What is happening this Christmas?

## Governing Board:

On Wednesday our Governing Board met for the annual Business Meeting. This is an important meeting as Governors verify and validate the formal financial, curriculum and Safeguarding processes and procedures for the School. Our Policies are tightly linked to Liverpool City Council and School Improvement Liverpool but Governors need to show their understanding of our Northway workings. This meeting is also an opportunity to discuss the bigger plans we have for Northway through School Development Planning and ask important questions to ensure the life of a Northway child is as good as it possibly can be.

Governors each have a specialised role within School, either taking an interest in a curriculum area or a wider overarching interest. These roles are confirmed during this meeting and tasks assigned.

Strong Governance is essential for any successful school as it forms part of our Leadership and Management. I would like to thank our Governors, under the chairpersonship of Mrs Donnelly for their dedication to Northway and positive outlook for our future. Challenge and support in equal measure.

## Remote Learning help:

This week's Home Learning Platform video is all about Letter Join. This came up quite a lot on the parent questionnaire as a platform that wasn't used very much at home, so I hope you find this helpful. Here is a picture with the login details, and the link to the video! Thanks for all your support!

[https://www.youtube.com/watch?v=Ot\\_1P06uqtM](https://www.youtube.com/watch?v=Ot_1P06uqtM)

Last week's video is all about how to use **Bug Club** and get the most out of it with your children. Some people have reported issues with logging in on an iPad when Pearson changed their log in screen over the summer. I've attached a link below that should help resolve the issue.

Bug Club is fantastic. We encourage the use of Bug Club wherever possible as well as reading any books you might have access to at home. Please continue to share this with your child's class teacher through their reading record uploaded to Seesaw weekly. Thank you for all your support and have a lovely weekend!

A screenshot of the Home Learning Platform login interface. It shows two sections: 'Desktop log-in' and 'Tablet log-in'. Both sections have a 'Login', 'Desktop', and 'Tablet' tab. The 'Desktop log-in' section has a username field with 'lj8617' and a password field with 'home'. The 'Tablet log-in' section has a username field with 'lj8617' and a swipecode field with a 3x3 grid of circles. Red arrows point to the 'Login' tabs in both sections.

## Dogs:

Just a quick reminder, that unless they are an assistance dog, dogs (however cute, cuddly or friendly) are not allowed anywhere on our School Site ... *even if they are wearing a face covering!* This is part of the Health and Safety Policy for LCC and has always been part of our Northway procedures.

REMINDER:  
No Dogs on  
School Property

## Wellcomm:

'Wellcomm' has been in School again working with our Nursery and Reception Classes again to assess their Communication and Language skills. It has been a fantastic tool to understand and plan to deepen our children's ability to communicate effectively.

**'Together we can achieve anything'**

All learners, all valued, all achieving, all the time

**Together involves everyone...which makes it all the more exciting!**

The new tiers will take effect at 12.01am on Wednesday 2<sup>nd</sup> December at the same time as England's national lockdown ends.

Restaurants can open again

- Pubs that can offer 'substantial meals' can also operate.
- No indoor mixing with other households.
- Meeting outdoors with other households in groups of a maximum of six is allowed.
- Gyms, shops and personal care businesses like hair and nail salons will reopen from next Wednesday.
- Outdoor group sports is permitted once again.

Metro Mayor Steve Rotheram and the six leaders of the boroughs of the city region released the following statement:

*"Today's announcement that the Liverpool City Region will exit the national lockdown into Tier 2 is welcome news and a testament to the sacrifice and reliance of everyone who lives here. We'd like to thank each and every person that helped us to achieve this outcome."*

*"When we entered Tier 3 restrictions seven weeks ago, we were in a very dangerous situation. We had the highest transmission rates in the country and faced the very real risk that our NHS would be overwhelmed."*

*"We are really pleased that today we see a more encouraging picture, with cases down by over two-thirds since their peak and COVID related hospital admissions also decreasing significantly, relieving some of the pressure on ICU."*

*"The balance of evidence shows that although we faced a difficult decision over Tier 3, locally we took the right decisions, at the right time."*

**I have just received an update for Schools from the DfE, which I will read, digest and report on next week.**

**Face Coverings:** Thank you to all the parents who have continued to wear a face covering, following the request by LCC / Public Health when dropping off or collecting children from school. Although our school site is as safe as it is possible to be, gathering at the gate is less safe if social distancing is not adhered to. This is where your face covering will protect you and others around you. **Wearing a face covering is a perfect act of 'Togetherness' for our Northway community.**
