

It is amazing seeing so many people arriving at school so children are ready to learn at 8.50am. To allow for the potential congestion, gates remain open until 9am.

Thank you everyone who have made that real push to...

Arrive on time **FOR** ten to nine.  
It's the smart-way and the North-way to start!

## Notes from the Headteacher's Study

Celebrating Difference

This week was **Anti-Bullying Week** ... or more positively, **'Friendship Week'**. At Northway we want our children and staff to 'shine from the inside out' – respecting each other's views and celebrating difference. Joining with other schools across the country, children came in 'crazy' or 'odd socks' on Friday... unique choices to brighten up our school. For the

more daring pupils, they could also wear a *different* hairstyle for the day. I was so impressed with some of the creative hairstyles! Colour, design, sculptures...you name it, we had it!

I hope you have enjoyed seeing photographs from Friday on our Twitter and a few also within this Newsletter.

**Shakespeare**

Arrive on time **FOR**  
ten to nine.  
It's the smart-way and  
the North-way to start!

## Lateral Flow Testing update:

The Army have been assisting with mass testing in Liverpool for the last couple of weeks. From reports given by members of staff and parents, this has been a very positive thing. The record was: waiting, testing and home within 6 minutes and the negative result (which is a positive thing!) within 20 minutes. Can't say better than that!

How to find your nearest test centre:

<https://liverpool.gov.uk/communities-and-safety/emergency-planning/coronavirus/how-to-get-tested/symptom-free-testing/>

## Face Coverings:

I am sorry to keep bringing this up...

Thank you to all the parents who have continued to wear a face covering, following the request by LCC / Public Health when dropping off or collecting children from school. Although our school site is as safe as it is possible to be, gathering at the gate is less safe if social distancing is not adhered to. This is where your face covering will protect you and others around you. **We have noticed this week, a significant drop in the number of parents and friends not wearing a face covering. Wearing one is a perfect act of 'Togetherness' for our Northway community.**

## COVID-19 (coronavirus) absence: A quick guide for parents / carers

What to do if...	Action needed	Back to school...
 <p>...my child has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> <li>Child shouldn't attend school</li> <li>Child should get a test</li> <li>Whole household self-isolates while waiting for test result</li> <li>Inform school immediately about test results</li> </ul>	<p>...when child's test comes back negative and child is well enough</p>
 <p>...my child tests positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> <li>Child shouldn't attend school</li> <li>Child self-isolates for at least 10 days from when symptoms* started (or from day of test if no symptoms)</li> <li>Inform school immediately about test results</li> <li>Whole household self-isolates for 14 days from day when symptoms* started (or from day of test if no symptoms) - even if someone tests negative during those 14 days</li> </ul>	<p>...when child feels better, and has been without a fever for at least 48 hours</p> <p>They can return to school after 10 days even if they have a cough or loss of smell / taste. These symptoms can last for several weeks once the infection is gone.</p>
 <p>...somebody in my household has COVID-19 (coronavirus) symptoms*</p>	<ul style="list-style-type: none"> <li>Child shouldn't attend school</li> <li>Household member with symptoms should get a test</li> <li>Whole household self-isolates while waiting for test result</li> <li>Inform school immediately about test results</li> </ul>	<p>...when household member test is negative, and child does not have COVID-19 symptoms*</p>
 <p>...somebody in my household has tested positive for COVID-19 (coronavirus)</p>	<ul style="list-style-type: none"> <li>Child shouldn't attend school</li> <li>Whole household self-isolates for 14 days from day when symptoms* started (or from day of test if no symptoms) - even if someone tests negative during those 14 days</li> </ul>	<p>...when child has completed 14 days of self-isolation, even if they test negative during the 14 days</p>

\* Symptoms include at least one of a high temperature; a new continuous cough; a loss of or change to your sense of smell or taste. See more at:

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/>
