Notes from the Headteacher's Study

Advent has started

We have reached December and as well as the temperature suddenly getting a lot colder, there is the hint of Christmas in the air! This Newsletter focuses on all the dates that will take us from today to the end of term ... all the dates in one place.

It really has been a celebration Friday today! Each week, the **Marvellous Me Class of the Week** is rewarded with a Mr Dougherty 'Special' Knowledge Quiz, where not only do they enjoy answering knowledge based questions; they get popcorn as a treat. This week **5Hawking** was Marvellous Me Class of the Week. Great Badge collection 5H!

As it is the end of the month, we also have **Marvellous Me Class of the Month** ... celebrating with a Board Games afternoon is... **6Darwin!** This is a real accomplishment 6D. Board Games are great for thinking skills, strategy, Maths and English, as well as being lots of fun!

Keep earning those 'thumbs up!' and 'Badges' Northway ... it is the road to Victory.
Northway Values for Victory.

WOW!
Truly amazing!

30 hours Nursery places:

Have you managed to download your eligibility code for 30 hours yet? Once received, please bring your code into school so we can enrol your child in our exciting 30 hours Nursery provision.

Parents who are not eligible can 'top up' the free 15 hours and pay (at the same rate as the Government funded place) to enrol your child for 30 hours.

Please share this message with any family or friends you know who might like to join Miss Messham, Mrs Sudbury and our Northway family.

Thank you

One of those **important** messages:

Weekend is a perfect time to check your child's hair thoroughly for any unwelcomed visitors. Checking for headlice (nits) is something I am certain you will do regularly and keeps children safe and less irritable. Chemists have great resources to help keep unwelcome visitors away **and often this treatment can be given free of charge.**
