Notes from the Headteacher's Study

End of the Year!

We always say it, but how is it the last day of term once again?! This morning we came together for our final CW Assembly to mark the end of the year, to talk about 'being yourself' and believing in yourself – especially as Year 6 children think about their new chapter, moving on to Year 7.

There is a time for everything and everything has its time... for Year 6, **this is THEIR time.**

A time to remember and a time to look forward.

A time to shed a few tears and a time to smile with **hope for the future.**

Year 6 have been great ambassadors for Northway and we want to wish them every blessing and success for their future.

This morning we also thanked Mrs Gadaweine and Miss Watt who are both moving on from Northway at the end of term. Miss Watt will begin training to be a teacher in September. We are certain she will make a great teacher. We always say, *once Northway, always Northway* and we look forward to hearing the success of both members of staff.

To all the children and families of Northway, I want to wish you a fantastic summer. Whether at home or away, I hope you make precious and fun memories ... ready for another epic year together.

Keep shining and smiling,

Mr Hargreaves HEADTEACHER

New to the Governing Board 2023/24

I am very pleased to share that we have three new members of our Governing Board who will begin their journey with Northway in September. **Mrs Julie Fadden** (Co-opted), is the local Councillor for Wavertree Garden Suburb Ward. **Mr Mark Burns** is an international Educational Speaker and Author and has worked with Northway over the past two years. **Rev Gary Hughes** (Co-opted), is the Vicar of St David's Parish, who now takes up the Co-opted Seat attached to the Parish of St David's. We look forward to working with them as they join our enthusiastic Board and assist with the strategic direction of Northway.

Sports Day:

Thank you everyone who came to our EYFS Sports morning, our Year 1-3 and Year 4-6 Sports Days. It was fantastic to have such enthusiasm right across our playground. The children were amazing and both worked hard and laughed lots to earn points for their House teams. We have the results!
