

## SEND check-ins:

Mr Bayliss our SENDCo has been meeting with each family of children on our SEND register. Face to face appointments are offered. **Have you booked yours?** Having time to speak about the good things and share any worries you may have creates the focus for these conversations.

These opportunities have been put into the school calendar each term so parents can have official meetings, as well as informal ones throughout.

Miss Scott has now started her SENDCo Award which means very quickly she will be skilled and able to work as Assistant SENDCo. When Mrs Dang returns from Maternity Leave, we will have a full time SENDCo, Deputy SENDCo and an Assistant SENDCo.

## Notes from the Headteacher's Study

September

**Amazingly we are in the last week of September!** This first month back has already been very exciting. As well as keeping the children on track with their learning, the focus has been on Northway 'R's: embedding our Northway **Relentless Routines** and strengthening **Relationships**. Children have risen to the challenge and this morning

they were all congratulated as a school in our Celebration Assembly.

Relentless Routines encompass everything: the way we dress (uniform), walk around school, speak to each other, interact ... everything. Linked to this, pupils and staff need to develop strong professional relationships with **trust** at the centre. This way, staff know how a child learns best and how to help them when challenges arise.

Today is **National Teaching Assistant Day**. We are blessed at Northway with Teaching Assistants for every class, additional adults to work with specific children and then even more support staff across school. Today we celebrated the great impact they have on our community with a treat mid-morning and then and also paused at 11.30am to publicly recognise their work. **Ask your child which TA in School they would like to celebrate today.** It should be a great conversation.

Have a fantastic weekend!

## 3Roscoe: Friendship

3Roscoe led our Assembly on Thursday around the theme of Friendship. They were amazing! Hearing them sing was wonderful too. Friendship is our theme for Autumn 1 – What makes a good friend? How can you speak up for your friend? When things go wrong, how can you resolve issues well? Friendship is so important and keeping friend, even more!

**“Friends are like the walls of a house. Sometimes they hold you up, sometimes you lean on them, but sometimes it’s just enough to know they’re just standing by.” (Anon)**

## Cross Country:

It was a typical September evening, with a clear sky, then suddenly a chance of rain, then a rainbow... as we walked across Croxteth Park. What was special about it? It was Northway’s first Cross Country Competition with a brand new squad and we were all so excited!

Wow! What a race meet! The children ran with determination, courage and perseverance all rolled into one. They were amazing. Every child finished so strongly and demonstrated all the running technique advice we had offered.

The next race is n Tuesday at Newsham Park ... can’t wait!

## Kings Leadership Academy Wavertree:

You may remember I met with the Principal Designate of Kings Leadership Academy, Wavertree, back in the Summer Term. Principal, Mr Barker, has offered to come into School after collection on **Wednesday (3.30pm)** to speak to any parents who would like to know more about the new school. Please put Wednesday into your diaries if you are interested. The offer came through at 3.15pm today so apologies for the late notice.

What an amazing start to our Cross Country season!

## Celebration:

I think this picture says it all! When a pupil comes to see me with work they are proud of, it makes my day! Marvellous Maths and a great attitude! Thank you!
